Instructions:

The retailer shall collect the state fuel tax from the customer at the rate of \$.2775 per gallon on dyed off-road fuel that is accidentally dispensed into an on-highway vehicle at a retail pump. The retailer must provide the customer with an invoice that shows the time and date of sale, the gallons of dyed fuel dispensed, and the amount of fuel tax collected.

Only if the customer has a receipt may the motor vehicle travel on-highway using the dyed fuel for twenty-four (24) hours. After this period, the customer may be cited for use of dyed fuel on the highway and be subject to penalty in accordance with MCA 15-70-330(3).

The retailer must complete this form and attach a copy of the fuel receipt and payment for the amount of tax collected. Within five (5) business days, the retailer must then remit this form and payment to the address listed below.
